Essential Tree Works in the Gardens - Monday 28th and Tuesday 29th September

Dear Residents

The Official Gardens Committee has organised for essential tree work to be carried out in the Grosvenor & Lansdowne Gardens next Monday 28 and Tuesday 29 September. For safety reasons, this will result in parts of the Gardens having temporary restricted access. In addition, parking restrictions will be in place, which are clearly visible.

It is the Official Gardens Committee that has organised and funded this work.

If anyone has any questions please contact us at glcgardenscommittee@gmail.com

Yours sincerely

Angus Tod
(Chair, Official Gardens Committee Grosvenor and Lansdowne Crescent Gardens)
