Dear Proprietor

The annual assessment fee for managing the Gardens for 2026/27 is **£90** and is due by **15th July 2026**.

Please make payment to the following account:

Account name: GLC Garden Committee

Sort code: 82-12-08

Account number: 10311131

Reference: e.g Surname, Flat No. GC/LC

We are aware that five individuals calling themselves the 'elected committee' have already requested fees. For the avoidance of doubt, this self-styled group has no lawful authority to issue invoices, demand payment or collect subscriptions from proprietors.

The Official Committee has received donations and loans from several proprietors to fund the garden work as our bank account was unlawfully emptied. The Bank has confirmed a **mistake was made** in changing the signatories on the Bank mandate. Work is ongoing with the Bank and legal representative to ensure safe return of **all** proprietor funds.

As the legal process is underway we do not intend to hold an AGM until the Courts have made a ruling.

Yours sincerely

Official Gardens Committee
