Following upon the decision on 21 October by the Proprietors' Committee (sometimes called the Gardens Committee) that you were to become a member as soon as there was a vacancy (which occurred upon my resignation) and your subsequent appointment [REDACTED] at the infiltrated Committee meeting on 1 December which I attended as a witness, I am forwarding to you the collection of Minutes etc which I sent to the Committee on 9 November.

Please be aware that a number of the other members have not yet made the declaration or oath *de fidele administration* enjoined by the General Meeting in June and you are prepared to repeat at the next meeting.

While you may form your own view (as would anyone else) regarding the sort of person who would refuse to do so, I consider this to be a fundamental breach of fiduciary duty.

In the meantime I note that you have already given such an oath/declaration to [REDACTED] that you will truly and faithfully fulfill your duties as a Committee member and [REDACTED] and therefore have the proper credentials for such a responsible role.

If I can be of any further help, please do not hesitate to ask.
